GENERAL RULES AND REGULATIONS

PURPOSE: The Junior Livestock Show of Erath County is conducted for the purpose of developing sportsmanship in youth and an interest in producing livestock.

GENERAL RULES:

1. The Erath County Junior Livestock Show (ECJLS) is part of the Erath County Livestock Association. The Erath County Livestock Association, Erath County Junior Livestock Show (ECJLS) or any committees operating as a part of the Junior Livestock Show organization will not be held liable for the loss or damage of equipment, injury to animals or personal injury to livestock exhibitors or spectators at any meeting or activities prior to the show, during the show, or after the show.
2. The Erath County Livestock Association reserves to the Junior Livestock Show Management Committee the final and absolute right to interpret all rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto or otherwise arriving out of, or connected with, incidents to the show; and exhibitors, parent or show official who violate any of the rules will be subject to such penalties as the executive committee may order including possible forfeiture of all privileges and premiums or permanent barring from participation in the show.
3. Any formal protest must be made in writing, citing the rule in question. This protest must be accompanied by a deposit of \$250.00 (cash), which will be refunded only if the protest is upheld. Any additional cost, above protest fee, will be the responsibility of the individual filing protest. Protests must be filed with show officials prior to the day of the judging if the cause for the protest is known by then. Otherwise, protests must be filed as soon as the cause is known. Judging will not be interrupted for protest investigation and, depending on the basis of the protest, a decision may be withheld until the investigation is completed. No protest will be accepted as to the decision of a classifier or judge.
4. The Erath County Junior Livestock Show (ECJLS) reserves the right to random test any animal for use of non-approved substances.

Code of Ethics:

1. The Erath County Junior Livestock Show is a family friendly event. As such, an individual's conduct as an exhibitor or a patron should be exemplary, and violators are subject to disqualification or removal from the show grounds.

 - b. Public display of profanity of any sort
 - c. Violence of any sort
 - d. Excessive consumption of alcohol
 - e. Threatening behavior or the appearance of threatening behavior (threatening behavior as determined by the Executive Board)
 - f. Direct criticism or interference with the judge or livestock show management, other exhibitors, classifiers, or show officials before, during, or after the competitive event is prohibited.
3. In the furtherance of their official duty, all judges and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them
4. No exhibitor or parent shall conspire with another person or persons to intentionally violate this Code of Ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Ethics. Violation of this rule shall subject such individual to disciplinary action
5. All exhibitors must attend elementary or secondary schools in Erath County OR must live in Erath County, or be home schooled and reside in Erath County. 6. All exhibition animals will be subject to rules and regulations of the Texas Animal Health Commission, as they exist at the time of Show.
7. The Management Team of the Junior Livestock Show of Erath County shall reserve the right to bar from the show any animal, which is sick, blemished, or has any health problem, which, in the opinion of that committee, would disqualify the animal from participation in a quality livestock show.

School functions or other extremely important functions may be considered as qualifying emergencies on a case-by-case basis by the Executive Committee. In any case, if an exhibitor will be unable to show his/her animal or to accompany his/her animal in the auction ring, the exhibitor must deliver a letter to the respective superintendent prior to the show or sale stating reason.
3. The Superintendent has the authority to dismiss any animal out of the show or show ring that is unruly, dangerous, cannot be handled or creates an unsafe atmosphere to the exhibitor or other exhibitors.
